Strong researcher and writer, resilient under pressure, adept at aligning stakeholders.

PROFESSIONAL EXPERIENCE

CIMC Group — world's largest container manufacturer (SZSE: 000039; HKEX: 2039) Shenzhen, China

Capital Management Supervisor, Capital Management Dept., CIMC Container (Group) Co., Ltd. Jan 2024 – Present

- **Asset turnaround:** Designed a fund-plus-operator rescue of 33 loss-making EV charging stations and pivoted new capital to heavy-truck charging; wrote IC, Chairman and investor papers, winning internal and external approval. **RMB 15m** phase-1 capital paid in; **~RMB 300m** unsecured direct-lease line pending approval; **8-year payback** projected (none before).
- **Fundraising:** Prepared LP materials and sourced investors for EV-charging and modular data-center funds, engaging China Railway 16th Bureau Group and state-owned platforms in Yangzhou, Ningbo, Kunming and Chongqing; bundled green-power demand from group plants across several cities to pursue solar/wind resource swaps for partner capital.
- **Industry-finance synergy:** Drafted the group's capital operations policy; structured asset-based financing with lenders for subsidiaries in modular data centers and buildings, environmental and cold-chain equipment; leveraged group relationships amid a price war to close a CIMC Energy Storage-Huaneng Jingshun deal generating **RMB 24m** in sales.
- **Equity governance:** Built a unified platform for minority holdings, transferring **10** companies into it, exiting **2** at no loss and deregistering **1**; identified a gap in an investee's articles of association and negotiated amendments and decision-process fixes with the majority shareholder to protect the company's minority-shareholder rights.
- **Private fund compliance:** Independently ran AMAC filings, disclosures and licensing for private fund manager CIMC Pengfeng and its funds, with **4 consecutive years** of compliant operation; completed a legal-representative change within one month ahead of new AMAC shareholding rules; secured a fund extension after **three AMAC rejections**.

Investment Analyst, Investment Dept., CIMC Transportation Technology Co., Ltd. Jul 2022 – Dec 2023

- **Cross-border lease financing:** Owned financing from day one for a global lease program of returnable rubber-transport packaging. Won **RMB 1.8bn** of leasing lines in 6 months (RMB 0.8bn offshore); drew **~RMB 330m** (RMB 140m offshore) over 176,000 sets; cut the rate from **5.3% to 4.4%** and extended tenor from **8 to 12 years**, saving **~RMB 44m** in rent.
- **Structuring innovation:** Aligned bonded-zone authorities, lessors, suppliers, auditors and finance on **China's first** cross-border container-type operating lease to obtain export tax rebates via an FTZ SPV, achieving a **13% VAT exemption** and **RMB 60m+** yearly profit uplift. Team Breakthrough Award twice; the deal won the lessor's Innovation Grand Prize.
- **Equity financing:** Drove an **RMB 40m** strategic round at a **US\$1bn** unicorn valuation, preparing diligence/roadshow materials and reviewing agreements; negotiated a Shenzhen district package (RMB 35m subsidy, 70% land discount, RMB 10m guidance-fund investment); approved by the district and investors' ICs with no valuation-adjustment terms.
- **Industrial investment:** Authored an **RMB 2.5bn** investment plan pitched to an East China city's investment bureau, anchored on EV battery parts and auto lightweight materials, using fixed-asset investment to draw government guidance funds and a special-purpose fund to hold assets and pursue M&A; approved internally by the local government.
